COMMENTS ON THE LECTURERS ACTIVITIES

Click (X) for your chosen

		Very Poor/Very dissatisfied	Poor/ Dissatisfied	Fair/ Neither	Good/ Satisfied	Very good/ Very satisfied
1.	Lecturers met their students (at least 3 times) as prescribed.					
2.	Lecturers answered their students' questions very fast (within 24 hours).					
3.	Exercises, projects aligned with lesson content.					
4.	Lecturers supplied documents sufficiently in doing practice process, exercise lessons.					
5.	Lecturers always use the Moodle, emails, forums or personal website to discuss with students about the projects, assignments.					
6.	Lecturers set the rule for students about the deadline to finish projects, reports and lessons.					
7.	Students are satisfied with teachers' methods in the practice process					
8.	Teachers evaluated accurately, fairly to the results of students through projects, lessons.					
9.	Lecturers always use the Moodle, email, forum or private website to discuss with students about the projects, exercises.
